3RD CRAZY COUNTRY DANCE FESTIVAL

Toki, Japan

By Martha Ogasawara

This year's **Crazy Country Dance Festival**, held on Sept. 21-23, 1996 and sponsored by Nagoya C/W Dance Fans "Crazy Feet", was definitely our best effort to date. What started two years ago as a weekend workshop for our club members has grown into a full-blown dance festival in just two short years. The only C/W dance festival in Japan, we had over 150 people attending this year from all over Japan.

Undoubtedly, a large part of the attraction were this year's guest instructors, SCOTT & DEBORAH BLEVINS from Highland, Indiana. Scott and Deborah are both fantastic dancers and it was really exciting for us to be able to watch such a caliber of dancing up close. We had a lot of people go home and start practicing their body rolls in front of a mirror!

Because most of the participants were still new to C/W dancing, most of the weekend was taken up with workshops. C/W dancing is just on the verge of spreading here in Japan and we wanted everyone to go home with as much new knowledge as possible. Before the event officially got started, we had some intermediate level workshops for Crazy Feet members in West Coast Swing, Two-Step, and Scott's latest new line dance. During the three day festival, we had 10 line dance workshops, one in partner dance, two beginner level Two-Step workshops, and one in East Coast Swing.

We were especially pleased that almost everyone participated in the couple dance workshops, as well as the line dance workshops. Even though we had more women than men, some of the women opted to learn the lead, so we had an even number of leaders and followers. Half of the workshops were taught by Scott and half were taught by instructors from Crazy Feet.

instructors from Crazy Feet. All of the workshops went on in one hall, and despite the fact that they were programmed at a variety of levels, almost everyone participated in all of the workshops. Because they didn't know any better, beginner dancers were taking advanced level workshops and actually getting the dances, which was a compliment to the excellent instructors. And talk about die-hard dancers! In order to give everyone as much practice as possible, each workshop dance was danced through at least three times, then the music was played again during break time for those who wanted to do it again. No one ever got off the dance floor. There were several review sessions programmed into each set, along with music being played after lunch and dinner. Again, most of the dancers were on the floor. I was the DeeJay in charge of early morning review on the third day and I really didn't think many people would show up at 9 a.m. for more dancing, but by the time I got ready to play music, they were all lined up and ready to go. Everyone certainly went home tired!

In addition to all the workshops, we also had several demos by the guest instructors, a clogging demo, a square dance demo, a dance exhibition by the host club, and a mini-concert by Deborah. There was, of course, the usual after party with food, drink, and revelry the first night. On the second night, after the dancing was over, there was an optional tour to a public bath. We also had a Tush Push contest during open dancing on the second night. The EmCee for the contest came out dressed as a can of Pringles potato chips. The winner of the advanced male division, SHINICHIRO BABA, had the dubious honor of wearing the special trophy (a red plastic hair band with two American flags on springs) donated by GARY & LISA MOORE of Reno, Nevada for his honors dance.

All in all, a good time was had by all and we're already making plans for next year.

TEAM TALK **MAJOR EVENTS**

By Dale & Tanya Curry

Dance teams are interested in attending dance events because it gives the team members an opportunity to learn more about country dancing, meet other people who are on dance teams, and to show off their team dancing during competition. Event promoters are interested in dance teams because of the number of people they bring in - not only the team members, but the family and friends that come with the team. Many event promoters say they tailor to dance teams and offer incentives for teams to attend their event.

Unfortunately, dance teams can afford to attend only a few events each year. The cost of travel, registration, and competition fees makes it impossible for teams to attend as many events as a couple or individual line dancer might be able to attend. If you're a dance team looking for events to attend this year, here are a few things to consider.

Cost: How much will it cost for the team to attend the dance event? Contact the event director of the dance events you are interested in and get information about the cost of a weekend pass, competition entry fees, hotel reservations, and travel information. Then consider what you will get in return. How many workshops, dances, and other activities are included in the weekend pass? Don't forget to include the cost of meals while at the dance event - this is not included in the weekend pass, although some dance events do provide meals for an extra fee.

Competition Schedule: How are teams worked into the overall dance schedule at the dance event? Are teams competing in the morning, afternoon, or evening? Will there be an audience to watch your team compete? Are teams performing when everyone else is at dinner or still in bed? Attend the dance events who respect teams and promote the team competition as much as the couples or line dance competition.

Your dance team members might want to be involved in other competitions, such as the choreography, line, or couples competition. Some dance events run two competitions at the same time in different rooms. How does this schedule affect your needs as competitors? Plan in advance so you're not disappointed.

Workshop and Activity Schedule: There are many workshops for team members to participate in when they're not competing. Most of the workshops are included in the weekend pass, some involve paying an additional fee. Get a workshop schedule in advance and make copies for your team members so they can plan their weekend around the team competition. When selecting your dance events, find out if the event offers special workshops or social activities for dance

After you've selected the dance events your team will attend, form a committee to plan each outing. The committee's first task is to obtain registration information for each event you will be attending. Get one packet for each member of the team so everyone can read about the dance event. Be sure you have enough registration forms for everyone on the team and for friends and family members. Get a copy of the competition rules and guidelines so you can understand how the competitions will be judged. Be sure your dance team routines qualify for the team competition at the event you are attending.

Make your hotel reservations as early as possible. The host

hotel will run out of rooms early so don't wait until the last minute to obtain a room block for your dance team. Be sure to reserve only the number of rooms you need. Tell the hotel how many people will be staying in each room, how many beds you will need in each room, and which rooms are smoking/non-smoking. Some hotels will even place all of your smoking and non-smoking rooms together so your group can be near each other in the hotel. Send the hotel a list of the people who will be staying in each room with all the specifications in writings - hotels love this information, it makes it easier for them to satisfy your needs. If you need to cancel

any rooms, do so as soon as possible so other groups can use them.

Register for the dance event one month to two weeks before the event. The sooner the better. Event directors schedule team competition based on the number of teams expected to attend the event. The more teams there are in attendance, the more time will be required for the competition. One or two unexpected entries are great but can distort a meticulously planned event schedule. Schedule team practice at the event in advance if the event director will let you do so.

Give all of your team members directions on how to get to the event location or hotel and instructions on what time they need to be where to get ready for the dance competition. Provide your dancers with a check list of items they need to take - hats, boots, costumes, accessories, etc. - you'd be surprised at what you'll forget to take when you're nervous or excited.

When you arrive at the dance event, check in and get your registration packet, name badge, and program book. Wear your name badge at all times - this is your pass into the dance event. Don't give the volunteer at the door or registration desk a hard time when he asks if you've paid or not - he is just doing his job.

Aftend the competitors meeting. Any last minute details or schedule changes will be discussed in this meeting. Some events have a special meeting for team captains. Every dance event is different. Don't assume that you know it all. To be prepared and do your best, understand how the competition will be run. This information is usually reviewed in the team captains meeting. Pass this information on to your team members.

If there are delays in the schedule, it's probably for a good reason. Be patient. Inform your dance team that this might happen. The event director is doing his/her best to stay on schedule or to get things back on schedule.

Read your program book. Information about the workshops, competitions, dance facility, dance instructors, and other details

will be provided to you. Turn in your competition music as instructed by the event director. Label your music with your team name and the competition you are entering. Pick up your music after the competition is over - don't expect the event director to mail it back to you. Be kind to the event deejay and he/she will take care of your music.

Get ready for the dance competition. Be in costume, at the dance event a minimum of 1/2 hour prior to the start of the dance team competition. Check in with the floor coordinator to determine when your team will be performing. Get your team ready to put on the best show they can, socialize with other dance teams, relax, get a drink of water, visit the girls/boys room - not necessarily in this order. Months of planning and preparation are about to be rewarded.

Cheer for the other dance teams as they perform and congratulate them for a job well done. They will return the favor. Be professional, polite, and patient. Dress in costume for the awards ceremony. It will make a pretty picture when you receive your award. Regardless of the outcome, remember it's just a dance competition - be happy for the winners - if it's not your team.

When it's all over, take a few days to rest, then discuss your competition adventure with other team members. Did everyone have a good time? What did they like? What did they dislike? Are they interested in going to the event again? Share these comments with the event director. Focus on the positive aspects of your experience and plan for the future.

Good luck to all dance teams participating in team competition in 1996 and 1997.

DALE & TANYA CURRY are directors and choreographers for the Hardwood Shiners dance team in Ft. Wayne, Indiana. Their team participates in four competitions a year and holds their own dance competition, the Dance Team Showdown, every March in Ft. Wayne.

"Chatahoochee Hustle" was credited to JO THOMPSON on the ballots. Jo teaches the dance on one of her DancLink tapes, but credits LANA HARVEY as Choreographer. The LANA HARVEY dance was published in *CDL* Vol. 19 No. 4, April 1994.

"West Coast Shuffle" was credited to GREG UNDERWOOD on the ballots. The correct Choreography credits should read GREG UNDERWOOD & DONNA NUSSMAN. The dance was published in *CDL* Vol. 18 No. 6, December 1993 and in *CDL* Dance Book 5.

We have also been told that "South Side Shuffle" which appeared in *CDL* in Vol. 2 No. 3, March 1985 and was submitted 'Choreographer Unknown" at that time by Sue Denney Inman was Choreographed by DONNA AIKEN. The dance appears in *CDL* Dance Book 1.

DANCING AND TEACHING HINTS

WALTZ TECHNIQUE AND STYLING By Art Kalmer

Any side step in advanced Waltz patterns is important because it must be slightly larger in size and held a bit longer than a forward or backward step.

Although the first beat is the accented beat in the measure, the second beat (count 2) is

the sustained count.
Example: 1 2 3 4 5 6

Count 2 and count 5 are held (or sustained) longer than the forward or backward steps on count 1 and count 4.

The side steps should be danced at a slight angle, allowing the body to turn.

In Waltz the knees are flexed more than in the Two Step, but never locked. If the feet come together in first dance position or are in a crossed position, the knees are not so flexed.

When going from a flat step to a step on the ball of the foot, you must cushion the rise from the flat foot first. The same applies when going from the step on the ball of the foot to a flat step, cushion the fall by lowering the heel of the weighted foot.

Speaking of levels, you must consider levels in leg positions, from the hip down. The body positions, upper parts of the body, and the levels of arms, elbows and the head.

SOME THOUGHTS ON THE HUSTLE

By Kelly Gellette

During my 10 years of being the NTA Newsletter editor (1986 - 1995), I received many requests for dances that are not classified under the C/W label, such as the Conga, the Hand Jive, the Bunny Hop, etc. In the December 1995 issue I put together a short article on the Hustle. I decided to do a little more research on the Hustle as it is being introduced into the C/W world.

1960 - 1975 was known as the Disco era. People danced solo, without touching. By 1975, the fad had just about worn itself out. 1975 - 1980 became the Hustle era. People danced with partners and "touched!" In fact, the Hustle was often referred to as "touch dancing." Most thought the Hustle would start a new revolution in dancing. Unfortunately, there were too many regional versions and styles. By 1980 the Hustle had died out in most areas, and the C/W dance took over in popularity.

I recall the Latin Hustle, the New York Hustle, the 3 Count Hustle, the Manhattan Hustle (also known as the 4 Count or Rope Hustle), the American Hustle, the Triple Hustle, just to name a few. I think there was even a Tango Hustle! The 3 Count Hustle, a member of the Swing family, became the popular basic pattern used in most ballroom dance studios.

The basic and most popular count is &, 1, 2, 3 (&, 4, 5, 6). For those who had difficulty starting on the "and" count, teachers taught it as 1, 2, &, 3, (4, 5, &, 6) until the students because more proficient, at which time they changed over to the &, 1, 2, 3 count.

Talking to teachers from all over the country (ballroom, disco, C/W), I find the same dilemma we had in the late 1970s. There is a different basic pattern taught by each teacher! Some teachers bring their feet together on count 3. There are those

who bring their feet together on the "and" count. Most seem to prefer taking a very short back (push-off) step on the "and" count, stepping forward and slightly over the back foot on the 1 count, and stepping forward for counts, 2, 3, turning to the right down a slot. Pick up any dance magazine or video and you will see all kinds of variations.

Which pattern should be the basic Hustle pattern? For the gentleman it isn't a major problem, but it sure can louse up the

lady.

The question seems to be is the Hustle a C/W dance? It does come under the Swing label. Swing is neither ballroom nor C/W, but a dance form of its own (there are many Swing dances) and we have included Swing in C/W dance. If we decide on which basic pattern to use and which feels best to C/W music, we might better answer that question. The Hustle is leadable and danced in a slot.

Recall that there were many dancers who didn't like West Coast Swing, mainly because C/W dancers tried to do it to very fast music, but once Nashville came out with some good West Coast Swing music, it soon became one of the most popular dances in the C/W world. Think about it - we dance the Polka to Two Step music and the Cha Cha freesytle couple dance to Rumba music! Music drives the dance. If Nashville comes out with some good music that fits the Hustle, then it may soon become a popular C/W dance.

I remember the Hustle of the 1975-1980 era as being a bit

boring until lifts and drops were added.

A bit on history: In the early 1960s many line dances were called Hustles.

NTA publishes a monthly newsletter. The purpose of NTA is to promote C/W dancing, develop teacher training programs, develop communication among C/W teachers, and promote national meetings of C/W dance teachers. MUSIC FOR DANCING

Key: Bold type signifies that the song has enough of a beat for dancing. The song title, time (where offered in package), BPM (Beats Per Minute), and suggested partner dance(s) are listed. Medium type signifies a song is unlikely for dancing. This category includes ballads, interrupted rhythm, or lyric content unsuitable for the dance floor. A Waltz in bold type signifies the measures are phrased in pairs of 6 throughout the song. A Waltz in medium type signifies the song is not phrased in pairs of 6 throughout the song. One (*) before the suggested dance means the song is dancable enough that it might even turn up in a competition. Two (**) means the song is very dancable and will probably be used for competition. TEACHERS **NEWS**

By Carol Fritchie, NTA President

I have always liked reading. Through the years, however, I have not been able to spend that much time with my favorite hobby, reading. Our local school district recently sent out a booklet, identifying the students and the staff accomplishments. Great idea! After reading this booklet, I really enjoyed the quotable quotes from some very famous individuals. They pertain to educa-

tion and that is one of the primary goals of NTA, educating our members. Another one of NTA's goals is educating our students. The following quotes can be used by you, the teacher in relationship to your students:

"You never know what you can do till you try." -19th century

"Whether you think you can or can't, you're right." -Henry

"Defeat may test you; it need not stop you. If at first you don't succeed, try another way. For every obstacle there is a solution. Nothing in the world can take the place of persistence. The greatest mistake is giving up." -Smallwood & Kilborn.

"Keep your thoughts positive, your thoughts become your words. Keep your words positive, your words become your behavior. Keep your behavior positive, you behavior becomes your habit. Keep your habits positive, your habits become your values. Keep your values positive, your values become your destiny."-Ghandi.

These quotes can be used in your teaching. They also apply to you, the teacher, in your everyday life. Share them with your friends and your students. I would like to wish you all the very best this Holiday Season and extend you the most prosperous New Year. Till Next time, when you hear that music, put on your smile and start dancing.

PARTY! The northwest came to Spokane on June 1st & 2nd for the dance event of the year. "People Who Dance", "Me and the Boys Productions', and "Music in Motion" all teamed up and produced a spectacular event which has Spokane dancers elated.

"Spokane Super Summer Dance Weekend" was held at Avalon Dance Studio and featured nine different teachers. The instructors included BEATA HOWE (1994 US Open Strictly Swing Champion), RICHARD TYMKO (choreographer and UCWDC judge), JAY BYAM (UCWDC judge) CINDY PAISLEY (UCWDC judge, Div. I competitor and tap instructor), SHAWN JESSUP (Music In Motion, Dancin' Fools Event Director), LISA KRUSE (undefeated Int'l Line Dance

champion), CHRISTINA ROSMAN & GLEN BRAUNSTEIN (owners of Class Acts Dance Academy & Avalon Dance Studio), and STEVE JOHANNIS (Man of Rubber).

Three rooms were available each hour and most students had a hard time deciding which class to take. Specialty classes filled up fast. Swing dancers took classes in tap dancing and found that tap dancing is a great place to learn syncopation for swing (Thanks Cindy!). Beata taught a great class in spins and turns technique. And Steve Johannis brought the house down with his class on waves and ripples. Beata, Jay & Richard all wanted to take private lessons with him. Steve's a local instructor.

Dances were offered both Friday and Saturday night. Shawn kept everyone

SPOKANE'S WEEKEND (Cont'd)

dancing both nights until Christina announced that she had ice cream for everyone in the front lobby. Every single person left the dance rooms and went for ice cream. (Hey.. some things are hard to compete with.) Brunetta was seen cutting in line (She was the last one in line - What would they do? Make her go to the back of the line?)

The entertainment Saturday night was superb. Couer d'Alene Country Unlimited performed and everyone enjoyed the wonderful dancing. It was a real pleasure to have RON & SALLY THRE-FALL's dance team show off the material they have all worked so hard to perfect. Does anyone know who that was, singing like John Michael Montgomery?? DON WHITE (a local performer) treated everyone to a live vocal performance -WOW! Can that man sing, or what?

The best part of the weekend was watching all those talented dancers dancing on Avalon's new melamine dance floor. Everyone was trying out the material that they had been learning - and getting a lot of it.

I'm sure we have missed a lot of items in this article, but so much happened that we are all brain dead (How did we end up with the Longhorn BBQ food in our refrigerator?). "Anybody wanna by a duck?" (... had to be there). And what was that iced tea stuff that Beata had?? Yeaaaaah!

Well, everyone wants to know-will they do it again? The answer is a definite YES! Even before this event began, Jay & Glenn were negotiating with Cavanaughs Inn At The Park for a weekend next year. As this event ended, new partnerships had been created insuring that next year would be even bigger than this year. This event will become a yearly event, growing in size and quality each year. Look for competitions next year with open judging for all contestants. Open judging gives the competitors immediate feedback from the judges. Oh, did you miss this event? A video was taped and is available for #39.95 from Avalon Dance Studio. Give them a call at 509 327-6767, and whatever you do, don't miss next year!

Star Of The Northland Dance Festival a Minneapolis/St. Paul MN was held on May 31 & June 1-2, 1996. Those attending this year's UCWDC event did so for the last time at the Bel Rae Ballroom site. That ballroom has been sold, and the entire event is moving to the Holiday Inn North in Arden Hills. Due to that, next year's dates are changed to June 13-15, 1997.

We will have two separate ballrooms; one for country western plus one for swing, and a 24 hr. practice room. Everything will be under one roof. We'll even have RV and camper hookups at the new location. Everyone is extremely excited about the

An event highlight this year was a special videotape presentation of the past eight years for Star Of The Northland. It was interesting to see the past to the present, as put together by DAVE SHAW, Stillwater MN, who did a splendid job putting eight years into a 20 minute video. Everyone got quite a chuckle out of seeing the hair, clothing, competition and social dancing styles. There have been some mighty big changes. This year's event videotapes for competition, workshops, dinner show and performances are available from Wallin Video Productions at 612 786-1486.

The chuckwagon dinner and show was very well attended as usual. New to this year's dancing show were KEVIN & VICKI VANCE-JOHNSON from Nashville TN, who received a standing ovation for their lively performance. Kevin & Vicki are very will liked in the midwest because of their friendly and down-

A letter from one of this year's competitors stated what most people in Minnesota have always known: "Your event was the friendliest event we have ever attended. Everywhere we went, we were greeted with smiles and Hi." The Minnesota down home attitude makes the "Star" event the most relaxed. Another competitor stated, "No competition 'til 2 p. m. on Saturday was great. We'll be back next year!" That couple had drove to the event and did not arrive until 1 a.m. Saturday, so a chance to get some rest and be able to compete wide awake was a real treat for them.

While the "Just Dance" category was small in numbers, the spectators and dancers all enjoyed the dancing. All competitors received Picture Award Certificates at the "Star".

The C/W Ambassador Award was presented to JIM & KARI CHRISTENSEN of Ramsey MN, who have promoted this event and C/W dancing, especially in the Heart Of America Tour. Also, congratulations to TOM & DIANE LARKIN of Eden Prairie MN for winning the Feathers Award for best C/W couple over age 35. What a "feather" in their cap for all their hard work.

Next year Star Of The Northland's picture awards will continue, and first place overall winners in any UCWDC division which has five or more couples competing in that division will receive \$500 in cash prizes and jackets. Competing teams will be furnished one room for two nights at the host hotel and there are no team registration fees for teams who compete. Other surprises are in store for all attendees.

A great big THANK YOU to everyone who made this year's event such a success, including the host team, North Forty Kickers. Without everyone's support, putting on such a great weekend and having such a successful 1996 event wouldn't be possible. But as you can see by this article, the real excitement is about Star Of The Northland Dance Festival for next year. Everyone mark those calendars now for June 13-15 and come to the friendly state of Minnesota for a down-home UCWDC event. Also, at this time of the year the airlines have great air fare specials, so call your travel agent and the host hotel, Holiday Inn North in Arden Hills at 800 777-2232 for reserva-

COLEBROOK BOOT SCOOTERS 5 Colby Street Colebrook NH 03576 Jill Riley/Joe Barton Phone: 603/237-5150; 603/788-4540

Hope everyone had a happy Halloween and didn't eat too much candy! You can certainly tell that summer is over by the smell of wood stoves burning and the crinkly sound of the leaves when you walk on the grass! But that's okay - cuz that just means more reason to go dancin'! And that's what we Boot Scooters love to do is dance.

We had a fantastic time with TODD, SAM RESTINO, and the Vermont & Berkshire Country Dancers when they came up last month and spent the day and evening with us. What a great group, great instructors, and great dancers. "Wiggles" - well, she's just super and we look forward to all of them coming to Colebrook again!

Well, off we went to Nashville (of course to the *Wildhorse* also) and had a fantastic, unforgettable time! You know when they say that you need to rest after your vacation - well, this is certainly the case here! The Colebrook Boot Scooters performed a dance called "Nash Dash" which was choreographed by our friend BARRY AMATO. If you've never gone to Nashville, you should put it on your list of things to do. We danced till we wore the heels off our boots! It was just the best time ever!

Come on up to our club, *The Heel-n-Toe Country Dance Hall* in Colebrook some time. Our doors are always open to new friends and friendly faces. Why don't you plan to come up on Saturday, January 18, when BARRY AMATO and DARI ANNE TARBUK are returning to teach Two-Step, West Coast Swing and line dances. It's sure to be a great time!

If you see someone without a smile, please give them one of yours!

NEW COUNTRY DANCERS

98 Newbury St.
Danvers MA 01923
Walt Sorenson, 508/777-0777

The foliage here in New England is at its peak, the trees are really spectacular with brilliant vivid colors as Mother Nature opens her closet for a change of clothes.

The many orchards are offering apple picking, apple and pumpkin pies, and other farm products.

This is my favorite time of year with temperatures cool and moderate, just right for traveling to visit our dancing friends. Our upcoming trip to Maine will bring us together for a C/W dinner sponsored by Country Tradition's JEAN & DICK BRIGANCE in Brunswick, ME. Dancers from all over New England will assemble for a great time. The following groups are attending: "Jus' Gotta Dance" (PAULA FROHN's group from Connecticut), New Country Dancers, and several groups from Maine Coastal Kickers, Four Seasons, Main'ly Coastline Country Dancers, Country Tradition, and others from across New England.

Last Saturday our group attended a benefit dance. The function, sponsored by the N.E. Country Two Steppers, drew a large crowd as country people always rally to a benefit to help out. A new dance, the "Cowboy Meringuay", was taught by PAT & ED LANCHESTER, and assisted by WALT & GERRY SORENSON and JIM & ANN FLOYD, all certified dance instructors and members of NEIDTA.

Also taught was a new line dance (choreographed by RITA KENNEY - also an NEIDTA member - from Cape Cod) called "Lonesome For You". This is a slow Cha-Cha done to "Blue" and also goes very nicely to Rick Trevino's "Un Momento Aya." These dances were also taught at New Country's dance class on Thursday evening.

Coming up on Saturday, November 23, 8 p.m. - midnight, is a C/W dance sponsored by the New Country Dancers at the Saugus Lodge of Elks on Main Street in Saugus, MA. DeeJay SCOTT LANCHASTER will do the honors and dance lessons by NEIDTA instructors make it a real bargain for only \$6 (\$5 for advanced tickets). This is a fund raiser for the Elk charities and all proceeds will be donated to the Saugus Lodge #2100

We will also attend a Blue Knights annual banquet here in Danvers, as our members are also members of this motorcycle club of law enforcement officers. It's not a country dance, but if there's a beat and a dance floor we shall take full advantage of it

a dance floor we shall take full advantage of it.

New Country members attended the October 6th NEIDTA workshop/conference in Salem, MA, and it was very productive, with some new dances being taught. These dances were brought to class and taught to our group. The same dances were also taught at other clubs by the instructors. Teachers arrived from several parts of Maine and were joined by members from Massachusetts. Four new instructors taught us a new dance and were added to the NEIDTA list of teachers. This now brings the membership to 26 certified instructors in the New England area. The new members of NEIDTA are EVA BELANGER, GERRY COUTURE, RUTH COUTURE and RITA SERGI KENNEY. NEIDTA workshops are scheduled about every six weeks, but with the holidays approaching, no date will be set for the next workshop until after the first of the year.

If any instructors want more information, we have a quarterly publication called "Syncopations" which can be mailed to you for a fee of \$3 to cover postage. You do not have to be a member to subscribe. For more information please send a S.A.S.E. to: Jean Brigance, RR-3, Box 852, Woolwich, ME 04579, or call Tel. 207/443-6726; or Walt Sorenson, 98 Newbury St., 32A, Danvers, MA 01923, or call Tel. 508/777-0777.

I would also like to say hello to GANEAN DE LA GRANGE who I met at the dance held in Chelmsford. She is the founder and President of the C/W Line Dance Association in Fremont, CA. Our meeting was very brief, as we were leaving to head home, and we did not get to discuss too much, but I promised to send a newsletter to her. It's always nice to meet new instructors and share information.

That's about all this time. I hope to see some of you on the dance floor somewhere. Say hello to any of the New Country Dancers if you see them. A few are now in Tennessee and a few more are heading to Aruba.

Stay healthy and enjoy the Thanksgiving holiday.

COUNTRY DIAMOND DANCERS P.O. Box 5628 Lima OH 45802 Jim Badertscher, 419/943-3854

Country dancing is alive and well in the Lima area. One of the joys of my life is to witness others enjoying themselves nd having a great time. The Country Diamond Dance Club provides the opportunity for each of us to enjoy ourselves, our friends, and our love for C/W dancing.

We have recently enjoyed three club dances, and quite a bunch of us had a great time at the "Queen City Classic" in the Cincinnati area. What a weekend! Our own competition, team, "The Diamonds & Spurs," had a great weekend while winning several awards. Once again, I was very proud to be associated with this great group of people. Congratulations!

- Iim Badertscher

On our way to Cincinnati and the Queen City Classic, we were anticipating having an exciting weekend. We heard about 1995 and the good times had by all those attending. To say the least, we were expecting to have a good time. What we ended up with is almost indescribable to those of you who could not be there. With dancers from Ohio, Indiana and Kentucky in competition, we were in awe of the talent that was there. We learned a lot and were entertained by some great dancers, including our own Diamonds & Spurs. On Saturday night, a group of us went to *Coyotes*. It is a super place and we are

planning a return trip there. That Saturday there was plenty of music,

dance and spirits (Hot Damn). - Larry & Carolyn Dorn

The Lonestar Dance Club general membership meeting will be held November 20 at the Northridge Board of Education

We will be discussing setting up volunteers to head committees and helpers for the 1997 Firecracker Festival. This will be our 10th anniversary Firecracker Festival and we want it to be the greatest.

Upcoming LSDC dances and lessons will be held on November 23 (our annual Dream Factory Benefit) at D&D Courtyard in Miamisburg and December 31 (New Year's Eve Dance) at Conover Hall in Franklin. The proceeds from the New Year's Eve dance fund our dances for the coming year. This has always been the highlight of the year, when friends get together in the spirit of friendship, sharing past events and planning for the future. There are two motels very close to the Conover Hall. One is within walking distance (for those who may not want to be on the road that night) and the other one is a couple of blocks away. There will not be a meeting or a dance in December (except for the New Year's Eve dance).

For more information on any event, please call Margie Lairson at 513/277-7488.

Our demo team was so appreciated at the Portage County Fair that they donated \$100 to our treasury

We have already been booked for the Portage and Summit County Fairs for next year as well as the Apple Fritter Festival in Clinton, OH.

Due to poor turn-out for the September dance, the board has decided to finish out this year and see how participation continues before setting dates for any further dances for the first Friday of each month. During the summer, the dances were free, however, for the fall and winter there will be our usual charge for admission, and the proceeds will help rebuild our treasury. There will be no Friday dance in December due to Christmas and holiday planning for the end of the year

Our regular club meeting is held on the second Sunday of the month. Dance Country meeting dates are scheduled as follows: November 10 at Springlake Center in Lakemore, OH; December 8 at Red Lantern Barn (Christmas Party).

It was a great summer for the Denim and Lace demo team. We had fun at the Shelby County Democrats fund raiser on August 25.

In addition to our demo, we joined them for dinner, as well as watched other entertainers. On September 21st we danced for the Centerville/Washington Township Bicentennial held at St. Leonard's Center.

We love to see DTS faces at events at which we are entertaining - it's good too have the support of club members and to hear their opinions. On Saturday, December 7, we will be at the Salem Mall Holiday event at 6 p.m. We're also scheduled to do some private parties as well. We'll see you on the dance floor! - *Linda Sink*

Our group continues to be busy with fall commitments in Harmarville, Verona, Gibsonia, Pittsburgh, Sarver and Saxonburg.

Besides our shows, group members are galloping along day and night with many teaching assignments (going strong seven days a week!). We love being in the spotlight! It's energizing.

Before you know it, we'll be scheduling our popular Christmas shows. Yes, there is an abundance of danceable Christmas tunes by many C/W artists and it's great fun to switch to holiday music. Although my heart belongs to Hawaii, I have found it very exciting to experience the change of seasons here in Pennsylvania. Fall and winter are so conducive to dancing and the changes outdoors are wonderful to observe. Happy Fall to you all and appreciate Wonderful Winter.

The Country Club on River Road in North Apollo will be celebrating their second year anniversary in early November. Congratulations to SUE GROMLEY and her wonderful family and friends who have worked so hard to keep the dancing customers happy. We are looking forward to having dance contest there, the same as last year - short, easy, fun, no pressure dance contests. Please call us for exact dates and times.

It is such a great honor to have so many of my students entering the teaching aspect of C/W. Hey, let's spread the word. If you want a kick out of life, try C/W dancing. Yee-haw! Mahalo nui loa to the Maui dancers!

Don't forget our continuing dance classes on Sundays. Line dancing is at 2 p.m., Two Step at 3 p.m., East Coast/West Coast Swing at 4 p.m.,

and couples dances at 5 p.m. We'll help you any way we can! (These are 6 week sessions for your convenience. Call about the next scheduled series of classes.)

RHINESTONE COWBOYS C/W DANCE ASSOCIATION P.O. Box 24765 Lexington KY 40524-4765 Carla Hebert, 606/253-3643

As fall brings us out to dance, we are reminded of how grateful we are to have *Spurs C/W Dance Club* in Lexington as the home of the Rhinestone Cowboys.

We have a well-kept place to meet and a large dance floor on which to boot scoot, not to mention a helpful staff (Lynn) and our fabulous DeeJay, John. Wednesday night is our club night and we have a good crowd dancing, socializing, and learning from instructor LEE ANN, who always makes it fun! And Saturday nights are the best for C/W dancing, however, Thursdays and Fridays seem to slack in dancing feet, even though Spurs has great instructors. Thursdays are best for couples with ANTHONY & DEBBIE teaching, and on Fridays our own Dance Coordinator, DANETTE ROSS, brings in new and hot line dances. Thanks to everyone who comes out and supports Spurs. Do spread the word to others who don't know of Spurs Club and our own Rhinestone Cowboys Dance Club. Word of mouth is the best ad, and we want to keep Spurs as the home we've come to love. Their business needs us and we need them, so let's show them our support. Spurs C/W Dance Club is located at 2320 Palumbo Drive in Lexington. There is a 2,000 square foot dance floor, dance lessons are available Wednesday-Saturday, and clubs are welcome. Call 606/266-0890 for more info. Carla Hebert

On August 24th, approximately 30 Rhinestone Dance Club members graced the dance floor of *Coyote's* in Ft. Mitchell, KY. This was a first time visit for several club members and those members, including moi, found it quite interesting, from the fast tempo that they dance to, to the booming rendition of the Star Spangled Banner. Coyote's is a huge place and I gained a whole new appreciation for our home club, our friendly deejay and bar-keep. The majority of the club members who attended seemed to enjoy themselves and that's what our road trips are about. - *Marsha Hart*

On Saturday 7, four of our intrepid troupe and two dates took Horace Greeley's advice and headed west, to Louisville. The occasion was a C/W theme night on the Belle of Louisville paddle wheeler. We arrived around 6:30 p.m., in plenty of time to be among the first dozen or so

to board the boat before its 8:30 departure. A good sized crowd was in attendance, with many outfitted in full country finery. A number even arrived in horse drawn carriages. For the rest of us coming in cars, there was a parking garage right across the street from the boat landing.

The evening's entertainment was supplied by a good country band. Inside on the third deck there were tables around the perimeter, with ample seating and a large dance area in the center. During the course of our cruise, we were taught two line dances. In each case, the dance floor was filled with at least two lines extending the length of the inside deck. It was a lively crowd and the dancing was non-stop. Incidentally, for those of you who might be concerned about motion sickness, I should add that the trip was extremely smooth. Unless you looked out the window at passing lights, you wouldn't even know that you were moving.

The second deck offered refreshments, with two counters serving drinks and snacks. The prices were reasonable and the lines were not very long.

The upper and outside decks of the boat provided an excellent way to cool down from the hectic activity inside. It was a perfect evening for a cruise, with a pleasant summer breeze wafting over those sitting topside or along the rail. However, I would advise keeping a close watch on your cowboy hat if you're wearing one on deck.

The price for the cruise was \$12 per person. The cruise lasted from 8:30 to midnight. In my opinion, it was a good deal and a fun time. I understand that the Belle of Louisville hosts a couple of these C/W nights each year. I would definitely be up for another one.

You can make advanced reservations for future cruises and get current cruise information by calling 502/574-BELL. Having a reservation in advance does allow you to board through a separate line and can give you a slight edge on seating selection.

Our small, but jovial group consisted of DANETTE and her date NED, ORVILLE and his date PAULA, plus CATHY and I. Cathy and I did sport our Rhinestone Cowboys' shirts. - *Iack Schott*

On September 7th, the "Old Timer Rhinestone Cowboys" held a reunion at Jacobson Park. This was a gathering of the original Rhinestone members, with their President, CARY PERKINS, in attendance. Things got off to A "SNAFU" start. Cary had one group under a shelter and JANICE BROWN had another group by the lake. There were no signs so everyone was scattered. The two groups finally did hook up and headed on down to Austin City for an evening of fun and dance. PAT VINCENT and her daughter JILL have invited them to our Christmas Party at Spurs on December 7 so the old can meet the new. This should be interesting.

MARSHA HART is coordinating the COCA (Children's Oncology Camp of America) Conference trip scheduled for November 9-10. This is a camp for children with cancer, and we will be teaching the camp counselors how to line dance so they can take it back to their respective camps. Attendance for the conference will be from 150 200 counselors. There is a **Coyote Joe's** in the vicinity. Our "Toys for Tots" dance has been moved to November 16. We ask all club members to participate in this event. We will have boxes set up at the door to collect the toys. We are currently practicing a dance routine that our club will perform that night. CHRISTIE WETHINGTON, PAT VINCENT and EDWENIA KELLER choreographed the dance and it is neat.

On November 23, the "Strut Your Stuff" Mountain Dance Pestival will be held at Jenny Wiley State Park. This sounds like a really great day. There will be workshops from 9 a.m. - 6 p.m. in three different rooms, providing a total of over 21 separate workshops. There will also be a dinner dance at 7:30 p.m. Hopefully, Danette Ross, will be one of the instructors. The cost for the event is \$20 for all day, \$15 for Dinner Dance only, \$5 for the dance only. To make reservations, call Jenny Wiley State Park at 606/886-2711 or you can stay at the Holiday Inn in Prestonburg. For more info, contact Mickey McGuire at 606/886-8140.

RCCWDA club meetings are held on the 3rd Wednesday of each month. Nominations for RCCWDA club officers will be held at the November 20th club meeting.

FIBY CARMONDY teaches at 7 p.m. on Tuesdays at **Hillbilly Palace** in Hazard, KY (cost is \$2). RCCWDA offers lessons at no cost at 7:30 p.m. on Wednesdays at **Spurs** in Lexington. CARY PERKINS teaches at 7 p.m. on Thursdays at the Phys. Ed. Department, University of Louisville (for course credit only), call 502/227-7415. DANETTE ROSS has free lessons on Fridays at *Spurs* at 7:30 p.m. LEE ANN MYERS teaches line dance lessons at *A1A* in Lexington, 7 - 8:30 p.m. (\$3 cover charge)

DAKOTA COUNTRY DANCE CLUB P.O. Box 634 Sioux Falls SD 57101 Bill Korth, President Phone: 507/472-8567

The good news is that the dance hall previously known as "Big Country" and "County Line" has been sold and will remain a C/W dance bar.

The better news is that the new owners are dancers themselves and they intend to operate their facility in a dancer- friendly manner. The newly reopened club is called *Twisters*, and there are some definite changes.

TERRY & LORI BONSALL, the new owners, are a couple with plenty of courage and lots of ambition. They are excited about their new venture, and hope local dancers will support their efforts to improve the Sioux Falls dance scene. They compete nationally at CWDI events in Division II. They understand the importance of floor space, good music, and a friendly almosphere for dancing.

in Division II. They understand the importance of floor space, good music, and a friendly atmosphere for dancing.

Twisters opened Labor Day weekend and the first change was the elimination of a cover charge at the door. The club features deejay music for dancing, and the sound system has already been professionally set to improve the quality. The second change is in operational hours. Twisters is open Friday and Saturday nights from 6 p.m. - 2 a.m. A Teen Night is feature on Sundays from 6 - 10:30 p.m., where \$4 will pay for entrance and all the pop you can drink for ages 13 - 20. Line dance instruction is part of each teen night.

Another innovation is Twisters' workshop room. Instructors are invited to conduct workshops during business hours on Fridays and Saturdays. Terry & Lori will pay the instructor \$1 per class participant, up to a maximum of \$25. Instructors interested in this feature should contact Terry or Lori at 605/368-2661 in advance to reserve the room.

Seating for private parties or groups is welcomed for Friday and Saturday nights. The facility will also be available for rental during non-business hours for private parties, business meetings, dance workshops and other functions. Twisters hopes to attract ballroom, square dance, and other events during the week, and a strong group of C/W dancers on weekends. Plans are being considered for a "Swing Thing" on Fridays from 6 - 9 p.m. when the club hopes to feature West Coast and blues music for our growing group of Swing enthusiasts. Future planned improvements include a grill and late night breakfast bar. The Midwest Showdown event held at Twisters over Labor Day

The Midwest Showdown event held at Twisters over Labor Day weekend attracted two DCDC dance couples as competitors. GARLY CROSS & ELITA CARLSON made their debut appearance on the competition floor in Division IV, and were clearly the darlings of the event. TERRI BYINGTON & STEVE VANDENBERG had participated in a "honky tonk" contest previously, but this was their first actual competition event together. Congratulations to both couples for having the courage to get out there and try their hands (or should we say feet) at competition!

One of the events for the weekend was a "Cha Cha For Cash" contest. Several couples were on the floor for that competition, including DCDC members JUDY BRASSER & DAVE RASMUSSON. Judy and Dave did a mean Cha Cha, but Terri & Steve managed to dance off with first prize.

It's always fun to have dancers visit from out of town, and DCDC members had the opportunity to meet and entertain some great people in September. DENNIS PECK from Fridley, MN, was in town for a weekend of dancing on the 6th and 7th, and DEB & STEVE BAXTER from Mansfield, OH visited on the 14th. The Baxters are instructors and it was fun to watch the styling and turns from their area of the country. Deb & Steve travel quite a bit and use the instructors list in *CDL* to contact local dancers.

The club gathering on November 16th will be a Chili Feed at *Crooks*. This event also doubles as a contest for those club members who make a mean dish of chili.

The December/January event is still in the planning stages, but it promises to be a big one. We've got the hall at *Crooks* reserved and hosts lined up for a New Year's Eve Party. What better way to bring in the New Year than sharing (and making) memories with your DCDC friends, dancing, and swapping the traditional New Year's hugs!

MISSISSIPPI VALLEY COUNTRY DANCE ASSN. 2507 Fulton Ave. Davenport IA 52803 Mark Moore, 319/326-1187

Our August dance was a great success. Everyone had a great time. The KINNAMON's and LIEVENS' did a great job of decorating and providing for a fun time. JOE WESTON played great dancing music. We had around 65 people attend the dance

We've been working on "Boogie Back to Texas", "Stampede", "Louisiana Hot Sauce" and "Walkin' The Dog" during the past month. Special thanks to LINDA KINNAMON for teaching "Boogie Back to Texas." It's always wonderful to have others volunteer to teach a new dance (then we get to learn something new).

We have been the coordinators (not the instructors) of Line Dance Lessons for over two years, and although we both love dancing and enjoy sharing our talents, quite honestly we devote a lot of time and energy into making each lesson a success and we are tired and

burned-out.

We need volunteers to share what they are learning from other places and through their travels. You don't have to be "an instructor" to teach others a line dance. If we aren't doing "that" dance here when it comes time for open dancing, then please volunteer to teach "that" dance at an upcoming lesson. The dance doesn't have to be a new one; it can be a dance from the past.

We greatly appreciate all the help we do get. Some of you come through time and time again. You know who you are and we thank you. Please join us on the second and fourth Tuesday of each month for fun, camaraderie, and lots of open dancing. The next Line Dance Lesson is scheduled for November 12 at 7 p.m. - Gayle Lovejoy & Cindy

About 50 club members and guests attended the Fall Harvest Dance on September 21 at the Moline Club. The hosts for the event were RALPH CRAFTON, DIANE DOCKING, JIM HOMANN and PAULA PASCO. They were assisted at the door by RUTHIE DOCKING. Falling leaves decorated the tables and Bubba's Jukebox provided the music for our dancing. It was good to see RON & KITCH TROST back out on the dance floor, after being away from dancing for about six weeks. They were afraid that they had forgotten everything they knew, but they looked great as usual. A special thanks to GERI RUSK and MARY ANDERSON who helped clean up after the dance.

There's a deejay dance on Friday nights at the East Moline American Legion, 8:30 p.m. - midnight. There's a restaurant and full bar available. DeeJays are BUBBA RUSK or CRAIG ALTMAN. Come and dance to

your favorite songs.

Upcoming events include: MVCDA Turkey Trot Dance on Nov. 16 at 7:30 p.m. at the Walcott American Legion. November 29 is the date for the Festival of Trees Holiday Hoedown at the River Center in Davenport, IA. The next MVCDA club meetings will be held on December 7 and January 4 at the Moline Club at 7 p.m. The MVCDA New Year's Diner/Dance will be held at R.I. Arsenal Cafeteria. Call Roger Bekel at 309/797-6213 for information on all of the above mentioned events.

October was a great month at Prairie Land. We had several great demos: Pumpkin Fest, Panther Creek, Sangamon Center, and Willow Heights Apartments.

We will be doing a demo on November 12th at the Masonic Home in Sullivan. Demo practice has been changed (on a trial basis) to the second Sunday of the month, 3 - 5 p.m. (having a meeting and practice) and every fourth Friday from 6:30 - 7:30 p.m. (basically just practicing and having a meeting if needed). If you want to do demos and don't know the dances, come to practice and we will be glad to teach you. Everyone is welcome. Hope to see you there.

We also had a wonderful graduation celebration with the Springfield and Decatur beginner/intermediate classes in attendance, the Halloween party (which was a howling success, as usual), and a delicious hot breakfast was served for the first time on October 19th at the Dancer's Diner. This will be a regular event each Saturday night (with the exception of party nights) on a trial basis.

There are dances every Friday and Saturday night at the Prairie Land Dance Club. Advanced dance classes are held on Saturday nights preceding the dance. DEWAYNE & CAROLYN CRAWFORD will teach the advanced workshop on 11/16 in 2-Step clusters. CARL & KAY PRIEPKE will teach "Cowboy Rumba" line dance on 11/23. Admission is \$2 for members/associate members and \$4 for guests.

Prairie Land dance classes are held on Mondays in Springfield at Washington Park and on Wednesdays at the Decatur Armory in Decatur. Each location teaches beginners and intermediate lessons. MIKE and SCHNAUTZ, country dancers from rural Butternut, WI, had to travel to Ashland (60 miles one way) to take lessons or attend dances. This was a country dance problem that needed a solution. Living on a farm in rural Butternut, they decided to convert the hayloft of their 100

year old barn into a dance hall.

On Saturday, September 14th, JIM & PHYLLIS CHILDS of Proctor, MN, and BILL & LYDIA MILLER from Superior, WI, traveled to Butternut to attend one of their Saturday night 'barn dances.' Approximately 50 country dancers from Ashland, Park Falls, Glidden, Plover, and Ironwood were dancing to CD's. Snacks and beverages were on a bring-your-own basis. Since the barn is not winterized, dances have been discontinued and will resume next summer.

Our NWCWDA sponsored reunion/fund raiser will be held on November 16th. The Cimarron Country Dancers have volunteered to be our hosts for the evening and have very graciously donated the use of their dance hall in Sumner, WA.

Our plan is to start off the evening at 6 p.m. with an easy intermediate Two-Step lesson taught by RANDY & RHONDA SHOTTS, followed by a line dance lesson at 7:30 p.m. and lots of open dancing, raffles, demos, and festivities. Remember, this is a membership drive so bring your friends. Also, personal invitations were sent to all the dance clubs/groups in the area. Many, many thanks go out to LEE WARREN and BONNIE MALONE for hot footin' it around town looking for a facility and to VICKI NIGGEMEYER who so graciously did our flier.

In an effort to promote and market the NWCWDA to the community at large, it has been suggested that we have a booth at every event with a banner and literature telling people what we're all about (many of the Northwest event directors have already agreed to provide space free of charge to the NWCWDA for this purpose)

charge to the NWCWDA for this purpose).

Another idea (this one from TRACY NELSON) was for each dance club or event promoter who publishes a newsletter or mails out advertising to include, along with their literature, a subscription form for our newsletter and a little verbiage telling folks why the NWCWDA is important to our dance community. - Rhonda Shotts

Circle of Roses at the Portland Dance Festival

Staying true to tradition, on Sunday night a huge circle of competitors swayed gently to the music as hosts JACK & SUE WAGNER and RANDY

& RHONDA SHOTTS passed out roses and thank you hugs. The circle seemed especially large with the addition of the new Pacific Coast Swing competition and line dance competitors to this C/W event.

The Portland event underwent a positive face-lift, but the most important ingredient for these dance times remained constant: the smiles and laughter & tears shared with friends we hadn't seen for a long time. It's amazing how just seeing a familiar face in class, on the dance floor, or passing in the hall can forge a sense of belonging and well-being.

There were some new twists this year. The hosts took extraordinary steps to keep the costs down for the competitors and spectators. There were wonderful classes, thanks to a top notch staff at this event; there was a great balance of "social dance" competitors, Swing competitors, Line dance competitors, Jack and Jill competitors, and the UCWDC Showcase and Classic divisions, as well as Pro-Am competitors. There was so much open dancing available between the two large dance floors on Friday, Saturday and Sunday nights that my feet couldn't take any more. This year the first ever Pacific Coast Swing Championships took place on Saturday night and what a show it was. Following the competition was a midnight buffet to prep everyone for the all night dance marathon which brought many bleary eyes and laughs throughout the night and morning.

It was a well attended event with many Canadians, lots of Northwest folks, and many, many states being represented. It was especially touching to see master dancers RICHARD KEAR & HELEN VOSS back on the floor following her year off for knee surgery. BOB BAHRS and his new dance partner DEBBIE BERNARD debuted in the Masters division after taking several grand championships in Division I earlier this year. The joy was compounded when we learned that SARAH BAHRS was four months pregnant.

At awards time, TONY & YVONNE GUTSCH captured the Master's title and JIM FARHADI & MICHELE ADAMS won the highly competitive Division I. Local competitors (eastern Washington) also brought home some loot, with JIM & MARILYN STOTTLEMYRE placing first in all four of their dances in the Showcase Diamond Advanced division; MIKE & BILLIE OHLER took a 4th in East Coast Swing and 3rd in Polka in Classic Division IV; and ΛPRIL DYNTERA took home a first place in three line dances.

The special Portland Pioneer award went to VERONICA CARON, acknowledging her beauty and success in early competition and recognizing her tremendous contribution to dancing since retiring from competition. It was wonderful to see the tears in her eyes as she was presented this award and escorted down memory lane.

The Portland Dance Festival is just a memory now, but a great one that will carry us through until next year. - Marilyn Stottlemyre

TNN Wildhorse Saloon Dance Contest Hits Portland!

The Nashville Network brought their show to the Clackamas Town Center in Portland on September 21 & 22. This was the second stop on their second annual Wildhorse Saloon Dance Contest Tour. Their ultimate goal: To find the best amateur dancers in the U.S. Amateur contestants of all levels and abilities across the U.S. competed for prizes and recognition. Judges for each event included teams of TNN professionals traveling with the tour, along with one local judge selected in each city. Contestants were judged on overall technical ability, artistic merit, attire, and presentation.

Nineteen couples competed for the Northwest title, and of those 19, only four couples were chosen to go on to the finals: LARRY & JANET SMITH; JOE SLUSHER & LAURA STEPP; GREG & HEIDI KROLEKI; and MARK BLUME & JENNIFER OBERG. The finalists were required to dance their Two-Step again and their Swing for the first time. The crowd was lively and very supportive. And the winners were GREG & HEIDI KROLEKI! For their efforts, TNN awarded them \$2,000 in cash and a trip to Nashville to compete in the National Finals. Way to go, Greg and Heidi. We're all proud to have you representing the Northwest in Nashville. Good luck. - Rhonda Shotts

COUNTRY DANCERS N.W. P.O. Box 1709 Clackamas OR 97015 Steve & Tabitha Klein Phone: 503/698-4166

The Fiesta Dance and Jack-N-Jill Competition held at the *Sunnyside Grange* in Clackamas was the place to be on May 11th.

Over 200 people showed up for a night of dancing, fun, and competition. The fiesta dance event, hosted by STEVE & TABITHA KLEIN of Country Dancers NW, is in its second year and is always fun each time. There are two Jack-N-Jill competitions put on every year at the Sunnyside Grange, the next one being on November 23rd. Dances are held one Saturday of each month at Sunnyside.

The total entries for the Jack-N-Jill competition was 16 couples for 2-Step and 8 couples for West Coast Swing. Judges narrowed this down to the five best leaders and five best followers of each dance to duel it out in a finals round. After the competition was done, judges handed over their ballots so the top three could be named. Winners of the 2-Step were: 1st place, GERRY RAMOGIDA & JANET SMITH; 2nd place, JAMES SCHMIDT & LAURA STEPP; 3rd place, JOE SLUSHER & MARY WALKER. Winners in West Coast Swing were: 1st place, GERRY RAMOGIDA & JENICA KROLICKI; 2nd place, ROGER BLAIR & HEIDI KROLICKI; 3rd place, VAN RAUCH & LAURA STEPP. Thanks to all who entered the competition and thanks to our judges: CHRIS JONES, JERI POE, MICHAEL MCCLURE GLEN SWENSON, and ANDY HEBERT.

June was the Summer Kick-Off dance at Sunnyside. TY & ANDY HEBERT did a great job as our guest instructors for the evening, attaching intermediate West Coast Swing. Later on, Steve & Tabitha Klein entertained with a Waltz and a Cha Cha.

The July dance was hot, hot, hot. The weather couldn't have been any hotter as temperatures reached 100 degrees at the All American Dance held July 13th. But the heat didn't keep away the dancers as over 100 people showed up throughout the evening to support the event.

Many came to see the pre-show of competition couples working out their routines on our large hardwood dance floor. These couples would go on to compete in the Portland Dance Festival the following week. Many of the couples loved the opportunity to get in front of a crowd before the competition. Thanks to our DeeJay, GARY BRAYTON of Country Elegance.

November 23rd is the date for the Fall Dance and Jack-N-Jill Competition being held at the Sunnyside Grange in Clackamas. Special guest instructor will be Master dancer, RANDY SHOTTS. BLACK HILLS SHUFFLERS P.O. Box 7625 Olympia WA 98507-7625 Tom Barte, 360/866-7147

Broken Sky band members got together for one night only at the Shelton Moose and approximately 30+ Shufflers listened, danced to, and enjoyed (as we always did) the music harmony that Broken Sky always provided for us.

It was absolutely terrific to see and hear them again. Many Shufflers and Moose members "begged" them to try to do this more often. Maybe we got through to them, we're not sure, but I know they'll draw another big crowd if they do. Hopefully there will be a next time.

Our general meetings take place at Tony Roma's, which is located in the Capital Mall in West Olympia on Black Lake Blvd. They appreciate our patronage and have asked us to stay through at least 1997 (they've penciled us in for each month).

WESTERN STARS DANCE CLUB P. O, Box 16 Reedley, CA 93654 Carolyn Preheim, 209/591-1668

The September 7th Bullard dance started off with a fun lesson. ALICE BLACKWELL taught the "Anyway Boogaloo." Next, the Central Valley Country Dancers danced the demo routine they would perform at Pismo Beach Western Days. The rest of the evening was filled with lots of great dancing music from Country Expressions.

Unfortunately, we had to cancel the September 21st Stars Dance. At the last minute, we found out that Reedley Social Services was sponsoring a three day Pacific Coast Shows Carnival and Mexican Celebration at Mueller Park (next to the Community Center). The Community Center was contacted and we were informed that parking at the Center for the dance could not be guaranteed, nor could security for the dance be provided by the Reedley Police. A special meeting was held at Club Night on September 17th and it was decided that under these conditions it would be best to cancel the dance.

The 1996 Pismo Beach Western Days are now just memories, but oh, what great memories! Lessons started on Friday at noon and continued throughout the weekend, with the last lesson on Sunday at 5 p.m. In addition to lessons, there were evening dances, entertainment throughout the town, food booths, vendors on the pier, competition events, and much more. The Central Valley was certainly well represented. Not only were there many dancers in attendance, there were several instructors giving lessons: SAL & DIANE GONZALEZ; FRANK & SONIA SHANABRUCH; JIM & SHIRLEY EVANS; and BOBBY WRIGHT. Congratulations to Sal for winning third place for his line dance "Ooo Λh " and to WANDA GROPPI of Porterville for winning first place overall in the line dance competition. The Orange Blossom Special, Crazy Horse Saloon Dancers, and Bobby's Wranglers & Wranglerettes were part of the entertainment on Saturday. And on Sunday, the Central Valley Country Dancers (43 strong) opened the team competition with their demo. Valley teams in the competition were: The Orange Blossom Special and Bobby's Wranglers & Wranglerettes. Congratulations to Orange Blossom Special for placing first in their division. The town was filled mostly with western dancers, but there were a few "civilians." One in particular (we'll call him Joe) was heard to say, "There are too many @!#* square dancers around town!" Well, Joe, we're **country**, not square. A big thanks to event director, VERN BLACK, the city of Pismo Beach, and to the weatherman! We're already looking forward to Pismo Beach Western Days 1997!

Thank you to Country Expressions for hosting the 3rd Annual Potluck on the sun deck at the Whaler's Inn at Pismo Beach on Friday night. There was lots of really good food. After the feast, Sal & Diane Gonzalez taught "Paradise Waltz," a partner mixer, and Donna taught "The Real Thing," a line dance. Frank & Sonia Shanabruch provided dancing music the rest of the evening. Friends, food, and dancing, with the

Pacific Ocean in the background - who could ask for more??

Call Sal & Diane Gonzalez at 209/637-0597 about their dance lessons at the Dinuba Rec. Dept. The Moose Lodge in Fresno has lessons every Wednesday night beginning at 7:15 p.m., followed by open dancing. Doc Holliday's in Fresno offers lessons in 2-Step, Hustle, West Coast Swing, Line dancing and Clogging. Call 209/229-9594 for scheduled times

The club election will be held at our November meeting.

BRITISH WESTERN DANCE ASSOCIATION 71 Sylvancroft Ingol, Preston PR2 7BN John & Janette Sandham Phone: 01772 734324

The Oasis Dance Centre in Preston will be opening soon. The center will be open 7 days per week.

There will be a fully stocked western wear shop, bar facilities, BWDA office, 1800 square foot timber dance floor. There will be lessons in partner, freestyle, and line dances, plus music to dance to.

Two of our BWDA teachers have opened up their own club in Llandudno. Well done, Sheila and Mike. Hope it all goes well. - John & Janette Sandham

We have taken out a two year lease of The Old Concert Room in Llandudno's British Legion Club in the town centre for the sole use of The Honky-Tonk Bar Association for Line & Western Dancing, and to promote country music from the U.S. and also from the U.K. H.T.B.A. Line Dance Club is to be situated on the top floor of the Imperial Buildings on Vaughan Street, just above the Llandudno British Legion Club. All areas are centrally heated and there is a lounge area with a bar (although at the moment we don't intend to apply for a liquor license, but it's possible that we could come to some agreement with the Legion on getting drinks from the bar). The dance floor is 200 square metres approximately, enough to accommodate about 100 dancers at one time and still leave room for couple dancing round the outside. There is a medium size stage with good lighting and a good sound system. We hope to tastefully decorate the club from top to bottom. Once everything is in place and we are up and running, we hope all the current dancers will look forward to their Friday and Saturday nights out, along with their chosen night for dance instruction. Happy Dancing. - Sheila & Mike
March 9 - 14, 1997 are the dates for the C/W Line Dance Break with

U.S.A. - HERE WE COME!

We are a new line dance club set up in February 1996 in Galway. We have a core group of about 25 members, and it's mostly line dancing that we do and we are also trying to learn

If there are any dance clubs/dancers on our route, we would love to hear from you and perhaps we could attend a dance during our stay in your area. St. Patrick's Day also coincides with our visit - perhaps we could arrange TV/radio coverage which we hope would further promote public interest in line dancing, C/W dancing.

please give us a ring or write to the above address.

We are excited about our forthcoming trip and hope to make it extra special by meeting lots of other dance club members on our route. Hoping to hear from you soon.

IRISH LINE DANCING NEWS

Well it's been a few months now since we wrote to CDL, but time flies by. It's hard to believe that it's been two years since we first wrote

The line dancing scene is still pretty much the same in Ireland, with the real enthusiasts keeping it alive, but there are still some beginners

willing to give it a try which is encouraging. Over the last few months we have had lots of things happening on the country dance scene. Last April, DICK & GENEVA MATTEIS visited us from Virginia to host the Emerald Isle Dance Classic, and for the first time in Ireland we had competition in couple dancing. The weekend went well, even though attendance could have been greater, but all of the people who attended really enjoyed themselves, including some instructors from England, namely LIZ CLARKE, BRIAN & ANNE BAMBURY, DAVID & LINDA ROBERTS, and RICK & STELLA WILDEN.

Summer was exceptionally busy here, with a few bars in the Mayo area offering country nights where the admission was free and you had a chance to learn as well as dance. Now the winter is here, classes are back to normal and we are encouraging as many beginners as possible to take up dancing.

Later this year, 26 of our dancers are going to the British C/W Dance Championships in Torquay in the south of England for a weekend. It was a great weekend last year and was sold out months ago. We are entering a team in the line dance competition and also some of our couples are entering Two Step Division IV.

Recently we had a visit from some overseas guests. In July, JULIE TALBOT and her husband GARY visited from Australia. They were in Los Angeles and Nashville and returned to Australia via Ireland. We held a night for them. They taught two dances and they both were a big hit with the crowd. We had previously met Julie when we visited Australia in January to compete in the Australian Line Dancing Cham-

Also, last week I had a call from ANN WALSH and CHARLA SMITH who are line dance instructors in Scottsbluff, Nebraska. They were in Galway so they traveled to our Sunday class and really enjoyed themselves. They did a little bit of instructing, showing us how they do the Tush Push Nebraska-style and also showed us how to do the Australian line dance, the Outback, a little differently. We were really glad they called, and don't forget if there are any instructors visiting Ireland, please give us a call and we'll let you know what's on.

Next September/October we are going to visit Florida and there will be a group of dancers joining us. We will be visiting Orlando, Fort Lauderdale, Tampa, and hopefully we will get to Jacksonville so lots to look forward to.

We'll, we're gonna finish up and hopefully it won't be as long again until we talk to you. - Robert Padden

FRANCE

LES AMIS DU FAR WEST 64, Rue Desire Preaux 93100 Montreuil France

Maureen Jessop, Int'l Relations Telephone: 48 59 91 53

September in France heralds the recommencement of everything - back to school and work after the long summer holidays. The French call it 'La Rentree'

September is also a special month for me. First it is my birthday, and secondly it is the anniversary of our very first C/W dance class in Paris. This year it also marks my 20 years in France!

What better time to organize our big event for 1996? It took the form of a river boat cruise down the Seine through the heart of Paris on September 21. The dancing cowboys Tush Pushed past the Eiffel Tower, 2-Stepped by the Grande Palais, and Swung in front of the Notre Dame, all floodlit.

With over 300 people aboard, an almost equal number of dancers and their non-dancing friends, we tried to cater to everyone. Non-dancers were initiated with simple line dances, Cotton-Eyed Joe, and basic 2-Step, whilst the converted boot scooted on the main deck. Others could relax in the bar and listen to the band.

The highlight of the event was the presence of honored guests LARRY & LAURIE SEPULVADO who flew in from Houston only a couple of days before. As well as starring in the two cabaret spotlight performances dancing hot West Coast Swing and Cha Cha, they also gave a series of workshops in and around Paris over the weekend to all levels of dancers.

The French dancers turned out in force and fully appreciated this unique opportunity to learn from the Masters. They followed with intense concentration and enthusiasm the technical intricacies of Triple 2-Step and 2-Step combinations as taught by these excellent teachers who did not let jet-lag interfere with their professionalism.

The Sepulvado's won all hearts by their simplicity, warmth and friendliness, showing the humility of truly talented dancers and teachers.

We could not have asked for better to join us in our unusual weekend, not better that is than ROB & MICHELLE FOWLER who are among Britain's rising young stars. Rob taught hot new line dances, some choreographed himself. His upbeat modern style was greatly appreciated by the line dancing fiends. He and Michelle thrilled the 'Boat-people' with their witty West Coast Swing spotlight.

Also on the bill was a line dance demo from an ADFW team, and following in her mother's footsteps, young VIRGINIE MENU taking over her lasso act.

The die-hards danced until 2 a.m., and the event was proclaimed a great success!

A special thanks must go to DeeJays PHILIPPE DUPIN, JOEL ALLANO, and FABRICE CORDIER, all ADFW members. They provided very danceable music all night long. Thanks also goes to the ADFW committee for the hard work before and during the event. Additional thanks to chauffeurs JOEL & MARIE-CHRISTINE GUERUT and JEAN-NINE & CLAUDE DELBERGHE.

This event was the dream and conception of our President, ROBER'I' WANSTREET, who organized and EmCee'd with skill and enthusiasm. However, the real star of the weekend was seven month old TYLER

SEPULVADO, a happy, beautifully behaved Texan baby who became everyone's sweetheart. She's a dancer in the making too! What a wonderful way to celebrate my special anniversaries.

Hurry back, Larry & Laurie and Rob & Michelle. It is this sort of international contact, friendship, and help that makes C/W dancing and dancers special.

CDL welcomes dancers to share Dance Step and Move Descriptions. In order to help others learn and understand a dance, and to assure accurate publication, we suggest a few guidelines and request that the following information (if known) be included with each dance: (1. TITLE or NAME of Dance or Move; (2. CHOREOGRAPHED by; (3. PREPARED by; (4. SUBMITTED by; (5. TYPE of Dance - i.e., Line, Contra Line, Partner, Mixer, etc.; (6. POSITION - i.e., Individuals in Line, Line or open couples, couples progressing in unison, partner dance in Sweetheart, Schottische, closed, etc.; (7. MUSIC SUGGES-TIONS: Music suggestions are not usually necessary for partner moves and turns. Some dance descriptions are choreographed to fit a certain song; don't forget to identify the title and artist of the song. Most Line Dances & Mixers are rhythm specific and their teaching and learning need progressive music suggestions. For these dances, please try to include: (a. One song marked "S" (slow) for teaching and learning; (b. One song marked "M" (medium) for practice (getting the dance down into your boots!); (c. A couple or three songs marked "F" (fast) for performing the dance publicly. Note: Work backwards from the "Fast" song to determine the songs for teaching and practicing. Remember, a "Fast" song for "Tulsa Time" is hardly a "Medium" song for the "Tush Push". Always identify songs by their title and artist.

8. COMMENTARY: Dedicate your dance, or tell how it came about, or describe it's 'spirit' (High Energy? Sleazy? Romantic? Challenging?). What makes this dance 'special', 'unique', 'fun'? Give your dance a personality. (Remember, on the printed page there is no difference between a dance pattern and a march pattern.) Any gimmicks, games, eccentricities? Bring your dance to life!!!

9. SPECIAL STEPS & EFFECTS: In their order of appearance describe (in detail) any new, unique, unusual, or original movements, steps, terms, etc., in the dance description. Reveal exactly wherein the DSD

each oddity occurs.

10. INQUIRIES: All Dance Step Descriptions must include the Name and Address/Phone Number of the person submitting the DSD. This information will accompany each Step Description published in *CDL*. DSD's are published in the submitted format. *CDL* makes no claim nor offers any assurance of accuracy or authenticity of any dance or its accompanying information as it may appear in *CDL*. Direct any inquiry, question, challenge, or discussion to the source identifies at the end of the DSD. In the event of an erroneous publication of a DSD, *CDL* will reprint a corrected DSD upon receipt of the corrected version from the choreographer or the person who originally submitted the dance.

THANK YOU & HAPPY DANCING!
